

SAFETY HEALTH AND ENVIRONMENTAL INFORMATION		
In addition to the hazards/risk normally associated with the types of work detailed on this drawing, note the following risks and information. * Please note that risks listed here are not exhaustive.		
CONSTRUCTION		
* Working in close proximity to deep water environments. * Disturbing or striking existing utilities and services. * Saturated ground conditions. * Protected species.		
It is assumed that all works will be carried out by a competent contractor working, where appropriate, to an approved method statement.
